Get Local Input and Analysis of Data

MIDDLETOWN, Pa— The Pennsylvania State Data Center is pleased to announce its new affiliates for the 2000-2002 term.

The Pennsylvania State Data Center Affiliate Program assists data users in obtaining data at local levels and applying local knowledge and expertise in analyzing those data. With the coming of the 2000 Decennial Census Data and recent release of the 1997 Economic data, these affiliates are valuable contacts.

More detailed information about services and data available may be found on the PaSDC web site (PaSDC.hbg.psu.edu) under "Our Partners."
