**Everything You Need to Know About Pennsylvania and More . . .**

**MIDDLETOWN, Pa** – The Pennsylvania State Data Center at Penn State Harrisburg has announced that the *2003 Pennsylvania Abstract* is now available. This publication is the most comprehensive compendium of facts and figures about the commonwealth. Compiled from information provided by state and federal agencies, the *2003 Pennsylvania Abstract* contains hundreds of data items, maps and graphics. This publication is an invaluable asset to those in the business community, planners, policy makers, marketers and researchers.

Data items in the *2003 Pennsylvania Abstract* include:

- Population, Births, Deaths, Health, Marriage and Divorce
- Commerce, Manufacturing and Banking
- Employment and Income
- Social Services
- State and Local Government Taxes
- Law Enforcement, Crime and Correction
- Agricultural, Natural Resources and Conservation
- Communications, Utilities, Energy and Transportation

This publication is available in both hardcopy and on CD-ROM. As a bonus, both the 2002 and 2003 editions of the Pennsylvania Abstract are included in PDF on the CD-ROM version. New items for the 2003 edition of the report will include 2002 state and county population estimates, county-to-county worker flow data and PACE and PACENET data.
